RE: MOTION FOR AN EXTENSION FOR THE RESPONSE REQUIRED REGARDING APS' MTD, AND REQUEST FOR EXTENSION OF HEARING ON MAY 2, 2016.

DOCKET NO. E-01345A-16-0041

My name, address and telephone are listed below.

I wish to respectfully request that the Arizona Corporation Commission please allow for an extension to allow me to respond to APS' MTD which is due no later than April 29, 2016. I received this notice on April 27, 2016. When I spoke to the attorney on the case Matthew Laudon last week, he then had said there was no need for me to file a response to their answer. I also had explained to him that I had health issues and would be possibly having out patient surgery May 2, 2016. He recommended that I ask for an extension so that I could prepare for the hearing. APS has their own in house attorneys, I am a citizen, with no law background and no attorney to help me. My husband is a disabled combat veteran, and I am his caregiver through the VA. Between my bad health and caring for him, I have not had the opportunity to seek legal advice to help in this matter. I therefore respectfully ask that you allow an extension to the APS' MTD and the hearing on May 2, 2016, to allow me to either to try and retain counsel or get assistance in this matter. I also will not be available that day due to health issues and appointments scheduled. I stand firm in my formal complaint in this matter against APS and it would not be fair if this were to be dismissed. APS is a huge power company, that even though they may be "regulated" I have proof of their inaccuracies over the past five years I have resided in my home, and believe there is a grave injustice and unethical issues going on with their billing.

I hereby certify that a copy of this Motion to Extend has been mailed to Pinnacle West Capital Corporation(APS) 400 N 5th St. MS 8695 Phoenix, AZ 85004 attorneys for APS company.

Sincerely,

Darcy N. Pfeffer
